Person Overboard Retrieval Devices	<ul style="list-style-type: none">• 1 Buoyant heaving line of not less than 15 m in length; AND• 1 approved lifebuoy with not less than 15 m of buoyant line attached; AND• 1 Reboarding device; AND• 1 Person overboard retrieval apparatus* OR Vessel carries a recovery boat (that meets Part B and Part C of TP 14475, or TP1332). <div>*not required if only one person on board</div>		
Visual Signals ¹	<ul style="list-style-type: none">• 1 Watertight flashlight; AND• 1 Signalling mirror; AND• 6 Pyrotechnic distress signals of which not more than three are smoke signals		<ul style="list-style-type: none">• 1 Watertight flashlight; AND• 1 Signalling mirror; AND• 6 Pyrotechnic distress signals of which at least two must be rocket parachute flares and not more than three are buoyant smoke signals
Fire Fighting Equipment ²	<ul style="list-style-type: none">• 1 Portable fire extinguisher of type 2A:10B:C; AND• 1 Portable fire extinguisher of type 2A:10B:C, at each access to a space with fuel-burning appliances; AND• 1 Portable fire extinguisher of type 10B:C at the entrance to the engine space; AND• 1 Fire axe; AND• 1 Bucket (for firefighting) 10 L or more and be fitted with a lanyard reach the water from the location in which it is stored		
Additional Equipment	<ul style="list-style-type: none">• A Manual Bilge Pump, Fitted with or accompanied by a sufficient length of piping or hose to enable water to be pumped from the bilge space; AND• A Magnetic Compass and capable of being illuminated; AND• A means of determining the depth of water under the vessel; AND• A Sound Signalling Device; AND• An anchor of sufficient weight, along with anchoring equipment, that can be deployed and retrieved effectively		
First Aid Kit	<ul style="list-style-type: none">• Marine emergency first aid kit as per Section 3.24 of the FVSR; OR• First aid kit that meets Maritime Occupational Health and Safety Regulations; OR• First aid kit that meets provincial workplace safety regulations with face shield and two pairs of gloves.		

1. A fishing vessel is not required to carry on board pyrotechnic distress signals if the vessel is equipped with a two-way radio system and is operated exclusively in the confines of a manned aquaculture facility OR within 500 m from shore OR operates on a river, canal or lake where it is never more than one nautical mile from shore.

3. EPIRB or other equipment
(3) A vessel that is 12 m or less in length and engaged on an inland voyage in the waters of the Great Lakes, their connecting and tributary waters or the waters of the St. Lawrence River, or on a near coastal voyage, Class 2, must be equipped with
(a) a float-free EPIRB;
(b) a manually activated EPIRB; (c) a PLB; or
(d) in the case of a vessel that is less than 8 m in length and that operates exclusively in sea area A1, a waterproof portable VHF handheld radio capable of DSC.
Manual EPIRB or other equipment — location
(4) A manually activated EPIRB, a PLB or a portable VHF handheld radio capable of DSC must be worn by the person in charge of the navigational watch or, if that is not practicable, stowed so that it is readily accessible for immediate use in the event of abandonment of the vessel.

2. See the equivalent classification of portable fire extinguishers that meet these carriage requirements.

Requirements	Dry Chemical ABC	Dry Chemical BC	Carbon Dioxide
1A:5B:C	1.5 Kg 3 Lbs		
2A:10B:C	2.25 Kg 5 Lbs		
2A:20B:C	4.5 Kg 10 Lbs		
5B:C	1.5 Kg 3 Lbs	1.5 Kg 3 Lbs	2.25 Kg 5 Lbs
10B:C	2.25 Kg 5 Lbs	2.25 Kg 5 Lbs	4.5 Kg 10 Lbs
20B:C	4.5 Kg 10 Lbs	4.5 Kg 10 Lbs	9 Kg 20 Lbs

FISH SAFE NS

COLLABORATION EDUCATION PROMOTION

Are you a Fish Safe NS member?
Does your fish harvesting company pay into WCB?
If YES, chances are, you are a member of Fish Safe NS!
If Not, would you like to become an Associate Member
to receive similar discounts and services??

What does your membership mean for you?

Members are entitled to the following benefits & discounts:

- Rebate for life raft inspection (one per member)
- Rebate for immersion suit purchase or inspection (up to 3 per member)
- Rebate for CSA-approved PFD purchase (up to 3 per member)
- \$\$\$ Discount on Marine Advanced First Aid
- \$\$\$ Discount on Marine Basic First Aid
- \$\$\$ Discount on Standard First Aid
- \$\$\$ Discount on Mental Health for the Workplace
- \$\$\$ Discount on Forklift Operator Certificate
- At-cost Occupational Health & Safety Consultation(s)
- At-cost Hazard Assessment, OHS Needs Assessment, OHS Policy Assistance
- Free fishing, processing, and aquaculture safety resources
- Use of Fish Safe NS Associate Member logo on company websites and promotional pieces to indicate your Associate Member status.
- Open invitation to attend Fish Safe NS events, which include meetings, Annual General Meeting, safety socials, and wharf side safety demos.

CAPTAINS
